

# ELECTRONIC COMMUNICATIONS

Aaron  
Boone  
DO  
and  
Associates,  
PLLC

Use of Electronic Communications from Aaron Boone, DO & Associates PLLC,

I give permission for Aaron Boone, DO and Associates, PLLC to send information to me through a secure system, DrChrono's OnPatient Patient Portal, designed to keep my information safe. I will receive an email notifying me when a confidential message has been sent. I also have the option to log into my OnPatient account using the user ID and password I established during my enrollment process to send a communication to my physician.

Aaron Boone, DO & Associates provides text, phone, or email notifications to remind me of my appointments based on my communication preferences.

(Note: Aaron Boone, DO & Associates, PLLC recommends that in choosing your email address, please consider the privacy implications: for example, any other person that may have access to your email address, or any other person, such as your employer, that may have the right and/or ability to review all emails received at your work email address.)

Aaron Boone, DO & Associates, PLLC Electronic Communication Guidelines:

- Our office can only send secure patient correspondence using the OnPatient portal and/or a secure, encrypted service provided by Identillect.
- With the exception of appointment reminders and payments, communications sent via electronic communications are recorded in your medical record
- Our office will not share your email address with anyone unauthorized to view your medical record

Consent and Agreement:

I have carefully reviewed this document and agree by signature to fully comply with the guidelines defined herein for electronic communication from Aaron Boone, DO & Associates, PLLC
